

EaCo Chem Presentation

Cleaning Solutions For Concrete Masonry Products

WEDNESDAY, APRIL 26TH, 2017 • 10 AM - 2 PM

American Legion Post 69
308 Chubby Drive; Columbus, MS 39705

CLEAN UP YOUR ACT, THE GREEN WAY

Saturn Materials is excited to announce that EaCo Chem, Inc. is our exclusive provider of masonry cleaning solutions for all Saturn Materials products!

EaCo Chem is a leader in developing a new wave of cleaning solutions for the masonry and construction industries.

With this new partnership, we invite all architects, general contractors and masons to discover why EaCo Chem is the best cleaner for Saturn Materials products.

Join us on April 26th for live product-cleaning demos, product videos, a Q&A session, provided lunch, raffles and more! Meet the teams behind these innovative companies!

Saturn Materials recommends EaCo Chem cleaner for Saturn Materials concrete masonry products.
EaCo Chem products are distributed by Jackson Newell Paper Companies.
